President Louis T. Benezet

Colorado College is a place of almost unique variety and interest. As students, faculty, and administrators we seem to have come from all corners of the United States and even further. We bring to our campus a diversity of viewpoints which makes this place a live, and sometimes hectic, college home.

A college of such variegated dwellers is not easy to characterize. Many times I have heard it asked, "What is our real College spirit?", as if to imply we may be lacking in this respect. On the contrary: when we look over the pages of a College year such as 1961-62 we find perhaps the best spirit of all for a college: a constant seeking in many directions for experiences and activities from which we learn something of the complexity of life itself.

I hope the Class of 1962, reviewing the rich and animated life they have enjoyed at Colorado College, may feel a sense of pride and comradeship which will last throughout the years.

. . . Louis T. Benezet

As a group, the sorority helped their alums at a bridge for the benefit of the Heart Fund, their national philanthropy.

For the second straight year injuries to key players before crucial games hurt C.C.'s opportunities of having a more successful season. The absence of several interior linemen for the important Homecoming clash with Adams slowed down the Tiger attack in the game that decided the R.M.C. race. The loss of quarterback Eddie Kintz during the second half of the Mines game

was keenly felt as the Tiger offense was not able to jell. The team had a winning season with an overall record of five wins, three losses, and one tie. Another high point was the fact that this year's squad was the first C.C. team to beat Colorado State College since 1952. The Tigers ended in a three way tie for second place with a 2-2 record in conference competition.

HOCKEY

Captain Stan Moskal

The C.C. icers had high hopes at the start of this year's hockey wars. Their reason for optimism was the return of seventeen letter-men. As it turned out, a very game, hustling crew of warriors finished the most dismal season on record. The Tigers never said die and kept up the hustle until the last whistle was blown. However, hustle could not compensate for the lack of goals scored. There are many reasons why the Tiger team failed to click. First the Tigers lost the services of Paul Kilbreth and Gary Martin due to injury. The next tragedy was the loss of five key players due to grades. The team would like to thank the loyal fans who stuck by them during this disasterous season and they promise C.C. fans a better showing next season.

For the first time in recent years Colorado College sponsored a Freshman hockey program. Although part of this program was cut short because of extenuating circumstances the general idea was a success.

The two games with Denver and the road trip to Minnesota gave the team a chance to play together and to get them acquainted with some of the competition it will meet in varsity years. Coach Brennan felt the trip accomplished what it was meant for and was pleased with the split in games.

BASKETBALL

This year's basketball team met with bad luck from the start of the season until the last game. The black cat first crossed Coach Eastlack's path when six-seven center Steve Sabom was sidelined with a back injury. The big blow came at semesters when six players were declared scholastically ineligible including the top four scorers and the top two rebounders. Few people gave the Tigers a chance for another victory after this loss but the Tigers stayed right in the title race until the last game. The final calamity occurred, again through the injury route, as a sprained

ankle and a chipped bone limited the Tigers to eight men, including three freshmen. The Tigers went into the final two game series needing one victory for the co-championship and two for the undisputed title. Hard luck was again a factor as the Tigers played well enough to win but dropped a 76-74 decision in the final game. As a result the cagers finished in a three-way tie for second with an 8-8 record in the conference. The makeshift squad's record is a fitting monument to the coaching ability of Red Eastlack and Jim Hanks.

FRESHMAN

Vidi

"The time has come . . . to talk of many things . . ."

ORIENTATION

Freshmen Orientation has a purpose . . . to relieve upperclass aggressions (at least that's how it seems) and to help the freshmen become imbued with C.C. enthusiasm and organization. Campus tours, class meetings, pep rallies and registration guides are prepared by the Tiger and Black and Gold club members, headed by the Enthusiasm Committee.

The process of indoctrination is ended with the combination flag pole climb and garbage fight between the Sophomore and Freshmen Classes.

Vici

All this for one course?

A little louder!

Isn't this fun!

We're not that hard to ring . . .

Slurp, slurp . . . Hey, you're eating the rind!

WATERMELON BUST

The Sigma Chis, for 29 years, have added to activities with their all school Watermelon Bust. Each year the Freshmen girls in each sorority and I.W.A. prepare a fun booth and chose one from their group to compete for the Watermelon Bust Queenship. The afternoon's festivities are supplimented by a jazz band.

Sue Halton, Queen for an afternoon.

But I don wanna g' 'ome!

VARIETY SHOW

Another C.C. tradition, the Variety Show, offers a relief from hectic studies and a chance for expression for both the faculty and students. The program was varied—from a Philippine folk dance to riotous melodramatic sketches.

"... and I've got a song that I'm singing ..."

One, two, three—fling.

We know what you're doing . . .

You're nice, but who are you?

We want more . . . !

Oh, for my 10 speed light weight . . .

Need a push, lady?

On Dasher, on Pancer . . .

Such determination!

How's your elbow, friend?

Watch those signals, Dale.

GREEK WEEKEND

Are there any questions?

What, no twisters?

C'mon, you guys, let's go!

HOMECOMING

A not so sunny day set the scene for the traditions of C.C.'s Homecoming Weekend. Weeks of careful planning, blood and sweat produced a memorable bonfire, pep rally, parade, floats, game and dance. The floats this year carried out the theme of quotable quotes. The Thetas and the Betas took first place honors for their work, which was soon torn to shreds by the fiercely blowing wind.

The busy weekend ended with a formal held at the new Broadmoor International Center.

Who do you all think the Queen is?

And the band played on . . . and on.

Is that so

Everyone does his part—even Trigger . . .

Cold, but enthusiastic fans.

. . . Let's fight, fight, fight . . .!

Who me? Oh, you're kidding.

A swinging affair, for sure.

Ethel Geary is explaining her version of what happened to her mother, Theo Brodin.

FINE ARTS CENTER

Once again, our Drama, Dance, and Choral Departments have joined to produce for us another musical spectacular. The leads for Damon Runyon's classic, Ben Lyon, Genevieve Vaughn, Lynn Bradley and Mary Hylbom, along with the supporting characters, were convincingly portrayed—the whole production was one that shouldn't have been missed. The coordinators, Mr. McMillen, Mr. D. Jenkins, and Norm Cornick coached the utmost from every member of the cast. It was a production which should be ranked among the firsts of this year's activities.

Bill Stafford

The last page of this yearbook is finally being completed. It has been a long arduous year filled with trials, tribulations, deadlines, pictures, and copy. The success of all the work represented in this book is up to you. Colorado College IS a community where we learn through many things, and the staff and I hope that this book is representative of some of the learning experiences which you have had this year.

Through the efforts of a few (as is always the case) and capable people, this yearbook came into being. Bill Stafford, the omnipresent photographer, tops the list of these people. It was only through his efforts that this book was possible at all, and as next year's editor with all his experience, Mr. Stafford should produce one of Colorado College's best yearbooks. Jane Grothaus, even after an accident with the paper cutter, willingly spent many hours organizing and typing the Campus Life section. John Levis and Ned Lawrence, though very busy in other activities, industriously completed the Sports section. Betsy Crockett, who was one of the most efficient people on the staff,

scheduled the faculty pictures, typed copy and devoted time to working on the other sections. The advertising section which was done by Kathy Clark, Bob Anton, and Rich Cholakian, hopefully will be as well received as last year's section. Gwen Salisbury spent many hours indexing and typing names, and Stu Hovey did the cover design. Diane Johnston efficiently wrote the copy for Clubs and helped out in other areas where she was needed. Rod Peck handled all the business end of the yearbook and spent considerable time in writing checks and sending out bills, as well as overseeing the sale of ads.

Other people who helped with typing and identifying and scheduling pictures were Sue Ballou, Sue Weisendanger, Margaret Kurasita, Kitty Tytler, Hadley Taylor, Kathy Berthrong, and Ellen Price.

Yes, Colorado College is a community where we learn through experience and this yearbook has been one of those experiences for the staff and myself.

Toni Larson
